COMPLEX ANALYSIS IN
SEVERAL VARIABLES: A
TRIBUTE TO R. MICHAEL RANGE

Tuesday, December 9, 2025

3:00 P.M. in Hudson 110

ABSTRACT. Michael Range was a colleague in the department for many years. He passed away in June this year at the age of 80. This talk briefly surveys the development of complex analysis in several variables, with a highlight on Michael's contribution to this field.
